

A Chance to Share Her Sense of Humor

~ Margene's Favorite 'The Far Side' Cartoons ~

She was a big fan of Gary Larson, and would laugh till she cried many times at his work.

Among her favorites were the ones below, which she clipped out of the AJC and kept in her armoire.

1. Her all-time favorite, a horrified Count Dracula seeing that his coffin had been damaged at the airport.
2. Woman: "Aaaaaa! That thing has got my Gigi! Man thinking to himself: "This is such a great way to meet women."
3. "Ha! The idiots spelled 'su render' with only one 'r'!"
4. "The fuel light's on, Frank! We're all going to die! ... Wait, wait. Oh, my mistake. ...That's the intercom light."
