

The Four Amigos

When Justin and Jeff were growing up, their favorite pastime was to get together with their ‘other brothers’, Brooks and Dustin Hill. The get-togethers occurred at one of two places: at the home of Justin’s & Jeff’s ‘other mother’, who doubled as the primary mother of Brooks & Dustin, or at the home of Brooks’ and Dustin’s ‘other mother’, who doubled as the primary mother of Justin & Jeff. No two mothers ever treated someone else’s pre-pubescent desperados more like they were deserving of civilized treatment than did Noni and Margene.
