

# AMERICA BETTER PRAY TRUMP CAN MAKE THE MILITARY GREAT AGAIN

By John Eidson | updated July 22, 2016

**SHOCK: Navy's newest super carrier unfit for combat...**

*Struggles to launch and recover aircraft.*

**SHOCK: America's 'everything' F-35 fighter a total disaster ...**

*Test pilot: Can't dogfight worth a damn.*

## U.S. ARMED FORCES IN VIRTUAL FREEFALL

By John Eidson—While allowing the military to fall into a shocking state of disrepair, America's current commander-in-chief is spending **HUNDREDS OF BILLIONS** on social programs for illegal immigrants and refugees. Emboldened by a weakened U.S. military, the leaders of Russia and China are rapidly building increasingly-lethal armed forces. When the next war breaks out, America's sons and daughters who serve will likely pay a heavy price. With the military running on fumes, here's some of what's happening:

**Navy SEALs don't have enough combat rifles ...**

**Forced to share individualized weapons, buy some of own equipment ...**

**Report: Military so depleted now only 'marginally able' to defend nation ...**

**Obama shrinking military to pre-WWII levels ...**

**Recommends deep cuts to military pay, benefits ...**

**Sacrificing readiness for political correctness ...**

*Meanwhile:*

*China announces new game-changer "carrier-killer" missile ...*

*Testing "terrifyingly powerful" nuclear missile ...*

*Now producing its first 5th-generation stealth combat jet ...*

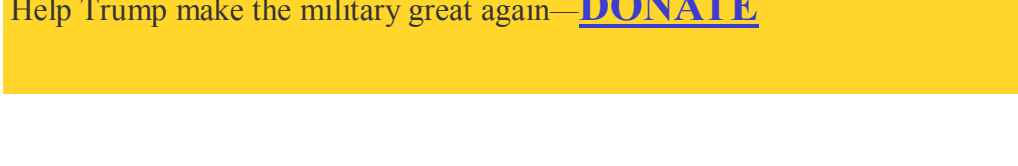

*Russia unveils new world-class air superiority fighter ...*

*Developing unstoppable nuclear-armed hypersonic glide vehicle ...*

*SU-24 fighter totally blinds U.S. destroyer's defensive system ...*
