

If Republicans Could Peel Away A Significant Percentage Of The Black Vote, The Election In November Would Be A Rout.

Fighting for the Black Vote

Ramming the Issue of Race & Poverty Down the Throat of the Democratic Party

A Three-Point Plan To Break The Lock Democrats Have On The Black Electorate

1.

Aggressive Campaign Ads

Hard-hitting ads that (1) refute charges of Republican racism, and (2) lay blame for the devastating living conditions in America's inner cities where it belongs: around the neck of the Democratic Party.

2.

Privately-Funded Educational Vouchers For Minority Kids

3.

Twitter Idea For President Trump

Photo compositions about civil rights history that could be inserted in his tweets.
